

Our purpose

Provide guidance and recommendations regarding public policy issues to DCDT Board and Membership.

Our Committee:

- Communicates public policy and government issues and recommendations to the DCDT membership
- Establishes relationships with elected officials and/or government officials
- Develops an effective grassroots advocacy network knowledgeable in the issues and methods of advancing policy and about CEC's policy positions and current events.
- Advocates for CEC's policy positions and communicate these positions to policymakers.
- Encourages DCDT members to become politically active and understand public policy to facilitate grassroots activities.
- Reads CEC's Weekly Policy
- Develops relationships with elected officials.
- Rallies to the call to action using CEC's Legislative Action
- Provides political action trainings at CEC's and DCDT's annual convention
- Promotes grassroots action within DCDT and its conferences.
